Week # _____

Due Date _____

SLC Preparation Packet 2018-2019

Humanities

The **piece of work** that I am most proud of in Humanities class is...

because...

Bring the piece of work.

One **challenge** that I have in Humanities class is...

because...

My **SMART Goal** to address this challenge is...

Each week you can reflect on your SMART goal in the 'notes' section of your planner.

Setting A Humanities SMART Goal

Today, you will set a SMART goal. You will work on this goal for the rest of this semester. You will reflect on your goal during your POL. You will keep track of your goal progress in your planner.

Follow the guidelines below to craft your goal.

	Word	Explanation	Your Answer
S	SPECIFIC	What EXACTLY do you want to achieve?	
M	MEASURABLE	How will you know if progress is being made on achieving your goal?	Your planner
A	ACHIEVABLE	Is it something you have control over?	
R	RELEVANT	Why is achieving this goal important to you?	
T	TIMEBOUND	When will you reach your goal?	POLs (December 17)

Humanities Examples:

- *I will come to tutoring for 30 minutes once each week until December 17.*
- *I will read books from at least 2 genres that I haven't read before by December 17.*

Humanities SMART Goal:

I have checked this goal and it meets all of the requirements of a SMART goal.

Math/Science

The **piece of work** that I am most proud of in Math/Science class is...

because...

Bring the piece of work.

One **challenge** that I have in Math/Science class is...

because...

My **SMART Goal** to address this challenge is...

Each week you can reflect on your SMART goal in the 'notes' section of your planner.

Setting A Math/Science SMART Goal

Today, you will set a SMART goal. You will work on this goal for the rest of this semester. You will reflect on your goal during your POL. You will keep track of your goal progress in your planner.

Follow the guidelines below to craft your goal.

	Word	Explanation	Your Answer
S	SPECIFIC	What EXACTLY do you want to achieve?	
M	MEASURABLE	How will you know if progress is being made on achieving your goal?	Your planner
A	ACHIEVABLE	Is it something you have control over?	
R	RELEVANT	Why is achieving this goal important to you?	
T	TIMEBOUND	When will you reach your goal?	POLs (December 17)

Math/Science Examples:

- *I will be able to prove a polygon is a scaled copy.*
- *I will be able to explain our SpaceCV project to someone outside our class.*
- *I will come after school for tutoring for 45 minutes once a week for 5 weeks.*

Math/Science SMART Goal:

I have checked this goal and it meets all of the requirements of a SMART goal.
